I, the undersigned, the Applicant's Guardian, being the parent or lawful guardian of Applicant, a minor (hereinafter referred to as the Applicant) hereby consent to the Applicant becoming a member of the Western Province Sport Parachute Club trading as Skydive Ceres (hereinafter referred to as the Club) for the period of this type of membership. I acknowledge that my consent as granted above:

- a) Constitutes a consent for the Applicant to take part in all or any of the activities of the Club including without limitation, a first jump course, accelerated freefall course, a static-line parachute jump, and any further parachuting and/or skydiving activities or ancillary related activities presented by or in conjunction with the Club.
- b) Shall endure for the full duration of the Applicant's membership of the Club whether continues or interrupted.
- c) Further constitutes permission for the Applicant to complete an Application for Membership form of the Club and to provide all relevant details relating to such application form including personal and health related details. I am aware and specifically consent to the fact that the said application form contains certain provisions relating to the indemnification of the Club from any claim relating to damages suffered by the Applicant in the course of the Club's activities.
- d) Is given with the full knowledge that certain details relating to the Applicant's health may increase or affect the risk attached to the activities of the Club and I undertake that I shall ensure that any query which I may have in this regard is brought to the attention of the Safety Officer of the Club in writing.
- e) Is given with the full knowledge that the activities of the Club inherently contain certain risks relating to or ancillary to the sport of parachuting and/or skydiving.
- f) Warrants that there is to the best of my knowledge no impediment

preventing the Applicant from partaking in the activities of the Club. I further undertake that should I have required further details relating to the activities of the Club in order to grant my informed consent thereto as given thereto as given above, I shall have requested such details in writing from the Safety Officer of the Club and in granting this consent I declare myself so satisfied.

- g) Warrants and undertakes in favour of the Club that the Applicant partakes in the activities of the Club voluntarily and with full knowledge of the risks associated with parachuting and/or skydiving and accordingly the Club shall not be liable for any claims for damage relating to the involvement of the Applicant in the Club's activities, howsoever or from whatsoever cause arising whether caused by the negligent action or inaction of any of the Club's members or officers or agents or otherwise.

In the interpretation of this consent form, the invalidity of any one provision or part thereof shall not affect the validity of the remainder of this consent. No warranty or representation not reduced to writing and/or reflected herein shall be binding on the Club.
